PROFESSIONAL EXPERIENCE

Ripon High School Leadership June 2023 - Present Technology Commissioner

Worked with the Leadership Technology Department to improve technological elements of Ripon High School activities such as videos, rallies, and dances. Helped play music and set up projectors/microphones for all rallies at Ripon High since beginning this job. Personally edited two Leadership videos and helped in editing/filming others, including the End-of-the-year video.

CTR Contractors Inc. Summer 2023

Assisted in the planning and execution of several home construction projects in the San Joaquin area including in Manteca, Stockton, Tracy, and Lathrop. Helped in building, laying out plans, and cleaning up a variety of different endeavors such as setting up and pouring concrete for backyards, putting up fences, and disposing of refuse.

Ripon High School Leadership August 2021-May 2022 Freshman Representative

Learned and practiced professionalism in a variety of settings including a mock interview with an electrical engineer from Lockheed Martin. Partially trained to later work as Technology Commissioner. During this year, Ripon High Leadership was recognized at a national level by the California Association of Directors of Activities.
